NINETEENTH ANNUAL REPORT
 OF THE
 COMMITTEE OF MANAGEMENT
 OF THE
Geelong Infirmary and Benevolent Asylum,
 1870.

The number of persons to whom the aid of the Institution has been given during the year is 3,401, viz:—905 In-Patients, 114 Inmates of the Benevolent Asylum, and 2,382 Out-Patients. The results of the treatment are as follow:—

| | | |
|--|------|--|
| In-Patients discharged, cured, or relieved | 715 | |
| „ died | 85 | |
| „ remaining 31st December | 105 | |
| | 905 | |
| Inmates discharged or left of own accord | 33 | |
| „ died | 11 | |
| „ remaining 31st December | 70 | |
| | 114 | |
| | 1019 | |
| Total remaining in the House 31st December, 1870 | 175 | |
| No. of Out-Patients under treatment, 31st December | 409 | |

The daily average number of persons in the House has increased from 178 in 1869, to 184 in 1870.

It will be observed that the average rate of mortality has increased to a little over 9 per cent. This is still, however, a comparatively low average, but it might have been lower if so many absolutely moribund cases had not been sent for admission by Subscribers. The usual return by the Resident Surgeon as to the cases and results will be appended.

Of the Patients admitted, 278 were natives of England; 206 of Ireland; 156 of Victoria; 77 of Scotland; 9 of France; 6 of Switzerland; 6 of Prussia; 5 of Wales; 4 of China; 2 of Holland; 2 of Mauritius; 2 of New Zealand; 2 of Gurnsey; 2 Born at Sea; 2 of Hanover; 2 of New South Wales; 2 of Scilly Islands; 2 of

America; 2 of India; 1 of Greece; 1 of East Indies; 1 of Italy; 1 of Newfoundland; 1 of Sweden; 1 of Canada; 1 of Denmark; 1 of Cape Verd Islands.

They professed to be Church of England, 321; Roman Catholic, 277; Presbyterians, 96; Wesleyan, 71; Lutheran, 13; Baptist 14 Congregational, 7; Chinese, 4; Jewish, 2; Calvinist, 1; no religion, 2.

The receipts, including £800 balance of the Government Grant for 1869, have been £6,496 2s. 11d.; and the expenditure, including overdraft of £640 4s. 9d. at the end of 1869 £7,177 4s. 8d., leaving a debit of £681 1s. 9d., to meet which there is £1,250 yet to be received from the Government. (This has been received since the accounts were made up.) There are liabilities on contracts for repairing the outer walls, which became absolutely necessary, and also for supplying and fixing outside Venetian blinds to all the exposed windows, a work that the Committee have hitherto been unable to accomplish though urgently required. The books have been duly audited by Messrs. R. H. Bullock and Geo. B. Fraser, and found correct. They speak most favourably of the simplicity and accuracy of the system of accounts. It may be well to mention that the expenditure, which is slightly over the amount for the previous year, includes an amount of £171 1s. 10d. for painting, whitewashing and cleaning, which is not an annual item of expenditure.

The Subscription List has been fully sustained. While thanking Subscribers who have responded to the call of the Collector, the Committee desire again to specially thank those gentlemen in the country, who have so liberally made collections for the Institution. There are many gentlemen in the district, from whose stations patients come for admission, who do not subscribe, and the Committee specially thank those who are exceptions.

The thanks of the Committee are also specially recorded to the "Geelong Amateur Ethiopian Minstrels," for the splendid results of their Entertainment in the Mechanics' Institute; also to Committees at Morrisons, Steiglitz, and Colac, and the Friendly Societies, Rokewood, for most successful Entertainments given in aid of the Institution.

Very acceptable donations of Books and Periodicals have been received :—from the Batesford Library Committee, upwards of 300 volumes ; Messrs. C. C. Dowling, Thos. Dunn, Bannister, Volum, J. B. Wilson, John Wilson, H. Franks, J. Simson, W. W. Miles, Mrs. Buchanan, and others. The proprietors of the *Argus*, *Age*, and *Leader*, *Geelong Advertiser*, *Ballarat Star*, and *Melbourne Punch*, have continued to supply gratis copies of their respective papers, which are hereby very thankfully acknowledged.

During the year the Royal Commission on Charitable Institutions visited the Institution, and made enquiry into every particular of management, and were furnished with full particulars by statistics and returns for the past eight years for examination.

The alteration in the Rules for the Admission of Patients, which were made at the last Annual Meeting, have been found to work most satisfactorily in the interest of the patients and the public. In their weekly supervision of the admissions, the House Committee have never had occasion to find fault with the admissions or rejections made by the officers entrusted with the duty.

Separate systems of visitation by Members of the Committee of Management and by the House Committee have been fully carried out, and it is gratifying to record that no cause of complaint of any moment has been found. The discharge book is full of expressions of thanks by the patients.

Early in the year Mrs. Fricker, who so long held the appointment of Matron, (she was, with the exception of the Secretary, the oldest officer of the Institution,) found it necessary, from failing health, to resign, and to mark their sense of the way in which she had fulfilled her duties, the Committee awarded her a bonus of £50. Miss M. A. Shaw was elected from a number of applicants in Mrs. Fricker's place. The Committee believe the appointment of Miss Shaw a most satisfactory one.

Drs. Shaw and Walshe again deserve the warmest thanks of the Subscribers for their valuable aid as Honorary Medical Officers. They again express their willingness to continue their services; and the Committee beg to record their continued satisfaction with the paid Officers of the Institution, who have zealously and successfully discharged the duties of their respective offices.

The operations of the Institution have considerably increased, and it has from time to time been found difficult to find accommodation for the number seeking aid. The Committee, however, congratulate the Subscribers in that they have been able to accomplish so much by way of relief to sickness and destitution in the district.

A. J. CAMPBELL,
Chairman.
