There have been held during the year, 15 meetings of the General Committee, 56 meetings of the House Committee, 21 meetings of the Finance Committees, (besides other Sub-Committees.) The attendance of Members will be found elsewhere.

The sincere thanks of the Committee are tonded to the Honorary Medical Officers for their gratuitous and much valued services to the Hospital, to the various Ministers of Religion and others who have conducted <u>public worship in the room set apart for that</u> purpose, to those who have regularly supplied Daily and Illustrated Papers, &c., for the gifts of Flowers generously distributed weekly to the Inmates, who greatly appreciate this kindness, and to all who have given their aid and help in promoting the comfort of those who by adverse circumstances have become the recipients of the benefits of the Institution.

The Bye-Laws have been amended during the year, and the Committee earnestly trust that the alterations will prove conducive to the satisfactory working of the Institution.

The House and Finance Committees have been unremitting in the discharge of their duties, and the general state and management of the Institution are such as, the Committee hope, will be commended by the Governors and Contributors.
