Statistical Returns giving the ages and diseases of Patients, &c., are separately reported; also the attendances of Members of Committee, &c., at the General Committee of Management, and Sub-Committees.

With reference to the Financial Statement (duly audited and found correct), it will be observed that the total receipts, including balance on hand (1st January, 1886), amount to £5179 7s. 7d., there being an increase over the previous year in each of the following sources of Income, viz. :—Private Subscriptions and Donations; Church Collections; Municipal Grants; and Proceeds of Entertainments, a result which may be regarded with much satisfaction.

The expenditure for Maintenance, &c., has been £5106 12s. 4d., as against £4779 12s. 6d. for 1885. This increase (viz., £326 19s. 10d.) is chiefly owing to a larger outlay for repairs, painting, &c, which were absolutely necessary.

It will be seen that there is a cash balance to the credit of the Institution of £72 15s. 3d.

The following amounts received during the past year are specially acknowledged by the Committee, viz. :—£138 from the Hospital Sunday Committee; £50 8s. 9d. from the Ven. Archdeacon Slattery, being collections in Roman Catholic Churches; £54 3s. 7d., collections made in other churches in town and country; £10 10s., legacy bequeathed by the late Mr. Isaac Crawcour, and forwarded by the Trustees (Messrs. Joseph and David Crawcour, and Mr. Sydney Abraham); £25 kindly forwarded by the Hon. Jas. Munro's Election Committee; and £5 5s. also from Mr. Donaghy's Election Committee; besides amounts received from the various Municipal Councils, as also from landowners and others in the country districts, who have so generously responded to the appeal made to them, by kindly collecting and forwarding donations towards the funds of the Institution.

The Committee sincerely thank those who have kindly rendered special and continued services for the Inmates, in attending to their spiritual wants; to the ladies of the Flower Mission for bouquets, weekly brought; and to those who so thoughtfully remembered the poor and suffering, by their generous gifts in money and kind, forwarded in abundance at Christmas and New Year's season, thereby providing good cheer, and gladdening the hearts of Patients in the Hospital and the aged Inmates in the Asylum.

The thanks of the Committee are tendered to the Honorary Medical Staff for their services; to the press and the proprietors of the various newspapers who have kindly continued to forward, gratis, copies of their respective papers for the use of the Inmates.

Mr. Le Capelaine, the Inspector from the Central Board of Health in Melbourne, also Capt. Evans, the Inspector of Charities, visited the Institution during the past year, and their inspection was in the highest degree favourable, as reported in each case.

During the past year the House and Finance Committees have been most assiduous in the discharge of their onerous and responsible duties, and have exercised careful economy and supervision in the internal management of the Institution.

In conclusion, the Committee thank the Subscribers for the support given in the past, and sincerely hope such will be continued in the future.

(INCORPORATED.)

An ACT for HOSPITALS and CHARITABLE INSTITUTIONS.

(2ND JUNE, 1864.)

ACT OF THE PARLIAMENT OF VICTORIA, No. 220

The Sections only of the Act which are of present practical importance are here cited. Of the remaining Sections, 1, 2, and 3, relate to the Mode of Incorporation; Sections 5 and 6 to the First Meeting after Incorporation; Section 10 to the Transfer of existing Trust Property to the New Corporation; Section 16 repeals pro tanto former Acts.

WHEREAS it is expedient to provide for the good government of hospitals and other charitable institutions. Be it therefore enacted by the Queen's Most Excellent Majesty by and with the advice and consent of the Legislative Council and Legislative Assembly of Victoria in this present Parliament assembled and by the authority of the same as follows—

4. Every such incorporated institution* as aforesaid shall be governed by a committee of not less than seven members, to be elected by the contributors for the time being to such institution; and such committee or any four of them shall have and exercise all the powers and authorities by this Act vested in the corporation; and one-fourth part of such committee or such fractional part as shall be nearest to one-fourth part, but no more, may be honorary medical men on the staff of such institution; and the president, vice-presidents and treasurer of every such institution shall by virtue of their respective offices be members of such committee.

7. It shall be competent for the corporation of any such institution to make bye-laws for the regulation of its own proceedings, for fixing the number of votes of contributors in proportion to the amount of their contributions, for determining the validity of disputed elections and for conducting such elections, and generally for all matters whatsoever affecting the management of the institution not inconsistent with the laws of this colony; but no such bye-laws shall be of any force or effect until one month after the same shall have been confirmed by a general meeting of contributors specially convened for that purpose and published in the *Government Gazette*. Provided that no such bye-laws shall enable any contributor to exercise more than three votes.

8. The Governor in Council may at any time revoke any such bye-law; and every order by which any such bye-law shall be revoked shall be published in the *Government Gazette*, and shall take effect from the time of such publication.

* *i.e.* Every institution incorporated under Sections 1, 2, 3 of this Act. The Geelong Infirmary and Benevolent Asylum was incorporated by Order in Council, dated 11th March, 1872, under the style and title of "The Geelong Infirmary and Benevolent Asylum."

9. If any contributor to the support of any such incorporated institution as aforesaid shall desire to dispute the validity of any such bye-law, and shall pay into the Supreme Court the sum of fifteen pounds as security for the costs of the proceedings hereinafter mentioned, it shall be lawful for such contributor to apply to the said court upon an affidavit of the facts for a rule calling upon the corporation to show cause why such bye-law should not be quashed for the illegality thereof; and the said court may make the same absolute, or discharge it with or without payment of costs as to the court shall seem meet.

11. On the second Thursday in the month of January in every year one-third part of the elected members of the committee shall go out of office, but may nevertheless be re-elected: and the persons who shall go out of office shall be those who have been the longest in office without re-election, or where two or more shall have been in office for the same length of time, then those who shall go out of office shall be determined by lot.

12. If any member of the committee shall die or resign by letter under his hand, addressed to the chairman of the committee, or become insolvent or compound with his creditors, or be convicted of any treason, felony, or misdemeanor, or be absent for four consecutive meetings from the committee, his office shall become vacant; and the remaining members of the committee may declare his office vacant, and temporarily appoint thereto some contributor to such institution until the next annual meeting for the election of the committee, when the person thus temporarily appointed shall retire as one of those who by the provisions of this Act are required to go out of office.

13. All notices to any officer or member of or contributor to any present or future charitable institution whether incorporated or not, which by the charter, statutes, laws or rules (as the case may be) of such institution for the time being are or shall be required to be given, may be served by the same being transmitted through the post directed according to an address in this colony (to be left for that purpose by such officer, member or contributor in writing under his hand at the chief establishment of such institution) in such time as to admit of their delivery in the due course of post at or before such period (if any) as is or shall be prescribed by the charter, statutes, laws or rules (as the case may be) for the time being of such institution for the giving of such notices.

14. In proving such service as aforesaid it shall be sufficient to prove that such notice was so directed as aforesaid, and put into a general post office in such time as aforesaid; but so nevertheless that nothing in this Act contained shall be held to render invalid any personal service of any notice, or to render necessary to the effectual service of any notice any further act, matter or thing than would have been required for the service thereof by the charter, statutes, laws, or rules for the time being of the institution which the same shall concern if this Act had not been passed.

15. No notice of any intended court, board meeting or election shall be required to be served either by post or otherwise on any officer or member of or contributor to any such institution as last aforesaid who shall not have left an address in the manner at the place and for the purpose hereinbefore mentioned, anything in any such charter, statutes, laws or rules to the contrary notwithstanding.
